

VOLUNTEER APPLICATION FORM

Morrill Memorial Library, 33 Walpole St., Norwood MA 02062
781-769-0200

Thank you for your interest in serving the Morrill Memorial Library. Volunteers are a very important component of our workforce. We ask that a volunteer commit to an agreed upon schedule and give reasonable notice if unable to report to work. Excessive absences make it difficult for us to work efficiently. If you find that you must miss work frequently, the library may have to replace you with someone who is able to report to work on a regular basis. If there is an opening for a volunteer, someone at the Library will contact you for an interview.
