Code Burgundy: The Long Escape

Monday, September 11 at 6:30 pm

Hear the incredible story of 94-year-old World War II veteran John Katsaros, who saw combat as a bomber and gunner. The theme of his presentation, which will include original photographs and documents, is "Cherish Your Freedom." After being shot down and seriously wounded in 1944, Katsaros was captured by the Gestapo and escaped with the help of the

French Resistance, not once but twice. He subsequently joined the French Resistance and the British Special Operations and was given the code name Burgundy. His book, "Code Burgundy: the Long Escape," was published in 2008 and translated into French.
