The Library's goal is to provide residents with access to information, education and entertainment. We help you find and evaluate sources of information ranging from in-print to online. We supplement all educational endeavors whether patrons are enrolled in school or they are life-long learners. We provide a comprehensive selection of popular material (books, audiobooks, music, movies) in a variety of formats, including digital downloads and streaming.

The trustees, the director and the custodial staff of the library continue to take excellent care of our facility which is now over 117 years old. New libraries have been built around us in the towns of Walpole, Millis and Westwood but many patrons from Norwood and surrounding communities tell us that they come to our library to enjoy our building's grace and beauty, and our comprehensive collection and welcoming staff.

The Morrill Memorial Library applied for certification from the Massachusetts Board of Library Commissioners in October 2014. Our budget met all the requirements and we were certified for a **2015 State Aid Award**. The Library expects to receive over \$35,000 in State Aid funding through the Massachusetts Board of Library Commissioners in 2015. Without the additional funding from State Aid, gifts, public grants, and private foundations, the library would not be able to provide the Norwood community with the excellent services, materials, and programs that it does. Additionally, the **2016 Action Plan of the Long-Range Strategic Plan 2011-2015** was submitted to the MBLC in December 2014 and was accepted and approved.

Did you know ... that the Morrill Memorial Library has only had 8 directors since 1898 to present? Jane Hewitt served as library director for 40 years from 1898 until 1938. Edna Phillips served 23 years from 1939 to 1962. Mary Phinney served 20 years from 1988 to 2008.

The **Morrill Memorial Library Staff** consists of 21 full and part-time permanent employees. There are additional part-time staff working short shifts to provide excellent library service to everyone who uses the library in Norwood. Library staff attended an all-day Staff Development Day in June 2014 held at The Fruitlands Museums in Harvard, MA. Many members of the staff attend a monthly book discussion group during professional time on Friday mornings. Library staff members also attend many workshops and conferences provided by professional library organizations.
